Unit 1, 9 Elgin St, Myrtleford

Centrally Located Unit.

It would be difficult to find a better location than this - on the western end of Elgin Street, only a very short walk to the shopping centre, butchers and bakery. A very neat 2 bedroom brick veneer unit, only 2 on the block, with electric floor heating (3 zones) plus split system reverse cycle air conditioning, evaporative cooling, built in robes in both bedrooms which are of a good size, an open plan living area, electric cooking, recently updated disable friendly bathroom, carport and garden shed. Well maintained and in very good condition throughout plus being so central it is well suited to a retirement unit or as a holiday unit.
