COREEN RURAL VILLAGE

I could hear the “party line phones ringing and the postie calling” whilst in this classic residence and the old post office!!

With 2 bedrooms in the residence, another one in the Post Office and then another in the bunk house, this property is up for genuine sale. Having been renovated and decorated by a qualified painter and his partner whilst retaining many of the features and benefits of an era gone buy. The comforts of today's living are there with 2 split system air conditioning and ducted evaporative cooling, there are fireplaces, the combustion stove. The 400 litre solar hot water system, the sunroom and of course the salt pool, the alfresco area, the 75,000 litre rainwater tanks, the powered sheds, and the electric and slow combustion kitchen. All of this on 2024m2 block in the village of Coreen, just 20 minutes from Corowa and the Murray River, then the Rutherglen Wine Region and of course close to the twin cities of Albury/Wodonga. Make arrangements for your time friendly private inspection with the exclusive agent today.
