RENOVATION PROJECT WITH MASSIVE TWIN SHEDS

Set on 1,581m² and backing onto the stock route, this worker's cottage features fantastic shedding and makes an ideal renovation project. Comprising 1 bedroom, lounge, kitchenette space, bathroom, separate toilet and back verandah. With no power or water and renovation in the very early stages, now is the time to act and customise the home to your own tastes and needs.

Massive twin sheds both feature servicing pits and open onto the rear lane. With double width side access to the backyard, accommodation for more than 6 vehicles, vans or boats plus a workshop, the sheds offer all the storage you will need to complete the renovation.
