Looking for Lifestyle. Approximately 41.14 hectares (102 acres) of land in the beautiful Mitta Valley with frontage to Back Creek this property has plenty of potential for the outdoor enthusiast. A good mix of country with creek flats rising to undulating with plenty of shade trees, water from the pristine creek as well as 2 dams and some natural bush. Improvements include 2 shipping containers with a skillion roof and a rainwater tank. Only minutes out of Eskdale and around 70 kilometres to the major regional centre of Albury/Wodonga, properties like this don't come around very often.
